

AMENDMENTS TO THE DRAWINGS

The attached sheet of Drawings merely includes changes to reference numerals of Figure 2. This sheet, which only includes Figure 2, replaces the original sheet including that same Figure.

REMARKS

Responsive to the Notice to File Corrected Application papers dated September 3, 2010, Applicants submit herewith a Substitute Specification and Replacement sheet showing Figure 2 off the Drawings, so as to provide figure numbers that are consecutive and therefore resolve the issue that may be raised by duplicate or missing reference numerals. Note that no new matter has been entered.

Reconsideration and withdrawal of the holding that the application is incomplete are respectfully requested.

Conclusion

All objections raised in the Office Action having been properly traversed and addressed, it is respectfully submitted that the present application is in condition for allowance. Applicants therefore respectfully request that the Examiner reconsider all presently outstanding objections and that they be withdrawn. It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is again in condition for allowance. Notice of same is earnestly solicited.

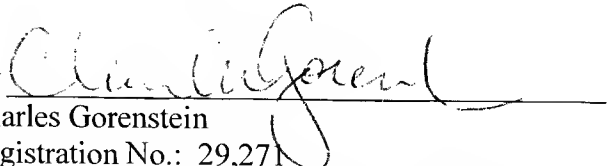

Prompt and favorable consideration of this Amendment is respectfully requested.

If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone Paul T. Sewell, Registration No. 61,784, at (703) 205-8000, in the Washington, D.C. area.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.14; particularly, extension of time fees.
